

# STATE BUDGET AND STATE ELECTIONS: A CONTINUAL TWO-YEAR CYCLE

The Texas Public Employees Association is working hard at the Capitol and across state government on behalf of current and retired state workers — both when the Legislature is in session and during the interim.

Writing and implementing Texas’s biennial budget is an ongoing two-year process that parallels voters electing their lawmakers and statewide officials. TPEA continually monitors and works to impact the budget while working with current and future elected officials in support of our members.
